

To all Belleville Centre Members

At the RASC National Council Meeting held on March 27, 2010, an annual fee increase of \$3.00 per Regular Member was approved. Youth membership fees are to remain unchanged.

Of the 30 Centres in Canada, the Belleville Centre portion (\$31.00) is above the national average (\$27.00). In 2008, the Belleville Centre's bank balance increased by \$634 to \$3311, and in 2009 increased by \$299 to \$3658.

It was suggested at the April meeting that we **reduce our Centre Fee by \$3.00 per member**, offsetting the National increase. Assuming our membership remains at around 30, this will reduce our projected surplus by $(\$3.00 \times 30) = \90.00 .

I am providing this information so we can discuss this in our regular meeting on May 7th.

A list of membership fees for the other Centres is listed below.
